Northern Adventures Snowmobile Club

Established in 2022

We are a snowmobile club formed in Iron River, Bayfield County, Wisconsin. Our club works in conjunction with members, local businesses, Bayfield County Alliance, and government agencies for the sole purpose of developing and maintaining snowmobile trails. Volunteers donate their time to prepare, sign, brush, and groom safe trails for public use. NASC maintains many miles of trails in Bayfield County.

Our goal is to promote winter tourism and recreation in the Iron River, Wisconsin area through the creation and maintenance of a safe snowmobile trail system. Please join us!

Your membership and donations help snowmobile clubs and the Alliance to purchase and maintain equipment needed for trail maintenance. The DNR does not maintain our trails. **Volunteers do all of the work!**

Club Meetings

Club member meetings are held monthly on the third Monday each month at 7:00PM. The meeting location varies among our supporting business members. All members are welcome and encouraged to attend.
